A Crowd Favourite

Australians have always loved the Kia Rio. It's always been economical. It's always been reliable. It's always been safe, and it's always been stylish. Now, thanks to a coupé-like silhouette, Rio's clean, flowing lines combine style with the latest technology, advanced features and low emissions to create a small car you can be proud of.

Intuitive Features

Bluetooth

Bluetooth® allows you to make and receive phone calls via the touch of a button that's mounted on the steering wheel – plus talk hands-free, and stream your music through the car's audio system. (Not all mobile phones will be compatible with the vehicle's Bluetooth® system).

The Bluetooth® word mark is owned by Bluetooth SIG, Inc.

Daytime Running Lights with Dusk-Sensing Automatic Headlamps

The Kia Rio is as bright on the outside as it is on the inside, with LED Daytime running lights. (SLi/Sport only)

Advanced Sound System + Aux / USB

Nowadays, a state-of-the-art audio system in a car isn't just an added extra it's a prerequisite. That's why an advanced Sound System that delivers deep bass, consistent mid-range, detailed treble and rich, immersive sound has been fitted in the Rio. Two input ports catering for different kinds of personal music devices provides maximum connectivity.

Rain Sensing Front Wipers

When the windshield sensor detects rain or other debris, the wipers automatically activate to help maintain a clear view of the road ahead. (SLi model only)

Cruise Control

Perfect for motorway driving, the cruise control switch is handily located on the steering wheel. (except S model)

60:40 Split Folding Rear Seat

Gives you plenty of flexibility when carrying different size loads.

Efficient Engines

Gamma 1.4L MPi Petrol Engine

An all-new unit that delivers extra power while keeping emissions low, the Rio S and S Premium features our durable and efficient 1.4L petrol engine.

Gamma 1.6L GDi Petrol Engine

The Rio Si, SLi and Sport variants are powered by a Gamma series DOHC 16V 1.6L GDi engine featuring direct injection and dual continuously variable valve timing to deliver a gutsy 103kW and 167Nm.

Advanced Safety

Electronic Stability Control (ESC)

Electronic Stability Control reduces skidding to help maintain control in the event you have to brake or swerve suddenly.

Hill-Start Assist Control (HAC)

Hill-Start Assist Control (HAC) ensures that the vehicle does not roll backward when taking off from an incline.

Vehicle Stability Management (VSM)

VSM controls brake force, engine torque and steering torque to provide improved vehicle stability during cornering or on loose or slippery road surfaces.

Six Airbag System and Strong Steel Construction

Providing protection and reassurance is a six airbag system comprising two front airbags, two curtain airbags and two front side airbags. Underneath, a reinforced high tensile steel sub-frame offers strength where it's needed most.
